MY PERFECT HOLIDAY EXPERIENCE IN THE GOOD LIFE RESORT RIEDERALM ****S

In a sensational location overlooking the Leoganger Steinberge, the Riederalm offers the first thermal pool in the region, the Mountain SPA exclusively for adults, an extra Family SPA, two pools of 20m and ingenious gourmet highlights.

Your holiday highlights:

- **Brilliant location:** Right next to the Asitzbahn valley station (in the popular Skicircus Saalbach Hinterglemm Leogang Fieberbrunn) and at the Epic Bikepark Leogang, which is the hotspot for all bikers in summer, unlimited biking fun is offered in summer on 720 km of mountain bike trails and 480 km of valley bike trails. The mountains of the Leoganger Steinberge invite you to exciting hikes and mountain tours.

In winter, the Skicircus with over 270 km of slopes and 70 modern lifts, adventurous off-piste winter hikes and toboggan trips provide a lot of variety.

- **The Mountain SPA for adults only** offers a thermal pool (20 m), a panoramic sauna (90° C), a plunge pool and the Crystal Relax Cube.

Recently he has been awarded with 3 toques by Gault Millau and joined the renowned association “Jeunes Restaurateurs d’Europe.” In addition, guests can enjoy the highest culinary delights in the new gourmet restaurant “dahoam.”
